

# ACI PRICE LIST 2018

This price list is effective from January 1st, 2018 and it includes all boating services rendered by ACI marinas. Prices are quoted in HRK and include a 25% Value Added Tax.

Other services not encompassed by this price list but offered according to the marinas' abilities are charged according to internal price lists of each individual ACI marina, and they are an integral part of this price list and are available on ACI marinas reception desks.

**ACI reserves the right to change the price list without prior notice.**

## ACI MARINAS

ACI incorporates twenty-two marinas and two anchorages. Eighteen marinas are open all year round, while the remaining four marinas and two anchorages operate only during the season.

The ACI marinas which operate all year round are:

ACI Umag, ACI Rovinj (open in 2018), ACI Pula, ACI Pomer, ACI Opatija, ACI Cres, ACI Supetarska Draga, ACI Šimuni, ACI Jezera, ACI Vodice, ACI Skradin, ACI Trogir, ACI Split, ACI Milna, ACI Vrboska, ACI Korčula, ACI "Veljko Barbieri" Slano and ACI Dubrovnik.

Seasonal ACI marinas and anchorages (open from April 1st to October 31st):

ACI Rab, ACI Žut, ACI Žut Anchorage, ACI Vožarica (Skradin) Anchorage (open in 2018), ACI Piškera and ACI Palmižana.

## BERTHS

Depending on availability, ACI marinas offer the following wet berth categories: daily, monthly, semi-annual (ACI marina "Veljko Barbieri" Slano), semi-annual winter, semi-annual summer, nine-month (ACI marina Skradin), and annual; as well as the following categories of dry berths: daily, monthly, semi-annual (ACI marinas Umag, Pomer, Opatija, Cres, S. Draga, Jezera, Vodice, Korčula and Dubrovnik), semi-annual winter, semi-annual summer and annual.

## ELECTRICITY CONSUMPTION

### Berths without a consumption counter

Electricity consumption for standard boat purposes is included in the price of all berth categories. In ACI marina Skradin, the electricity connection of 32A and higher is paid additionally in the amount of 10% of the price of annual and nine-month wet berth.

ACI marinas Žut and Piškera have limited electricity supply. Electricity is available from 8 a.m. to 12 a.m. and from 6 p.m. to 12 p.m.

### Berths with a consumption counter

ACI marina Pomer, which has consumption counters installed on dry berths, charges the use of electricity connection through a prepaid system. ACI marina "Veljko Barbieri" Slano, which has consumption counters installed on berths, charges the use of electricity connections higher than 16A for all berth categories. ACI marina Dubrovnik, which has counters installed on some berths, offers the option of using the electricity connection through a prepaid system.

## CONSUMPTION OF WATER

Water consumption for standard boat purposes is included in the price of all berth categories. The exception is ACI marina "Veljko Barbieri" Slano, which has consumption counters installed, and where water is charged according to consumption.

ACI marinas Žut and Piškera have limited water supply. Water is available from 8 a.m. to 10 a.m. Consumption of water for boat washing is charged according to the other services price list, by boat length. Stopping at the marina for the purpose of filling water tanks is charged according to the internal price lists of each individual ACI marina. All ACI marinas offer water and electricity supply in accordance with their technical capabilities. Restriction in electricity or water supplies does not constitute grounds for price change.

### PRICES

This price list contains prices for all wet berth and dry berth categories; the prices are shown in separate tables for each ACI marina, grouped according to rental periods. Prices are based on the vessel's length overall (LOA). Length overall is considered to be the total length of the vessel from the foremost part of the bow to the aftermost part of the stern, measured parallel to the waterline (including projections such as the stern platform and the bowsprit).

ACI reserves the right to verify the dimensions of the vessel by measurement and to charge the price based on the actual dimensions (length overall – LOA) obtained by measurement.

### CATAMARANS AND TRIMARANS

For catamarans and trimarans, the prices of all wet berth or dry berth categories are increased by:

- ▶ 25% in ACI marinas Umag and Cres
- ▶ 25% in ACI marina Milna, except for vessels on daily wet berth from July 1st to August 31st
- ▶ 50% in ACI marinas Pula, Supetarska Draga, Rab and Šimuni
- ▶ 50% in ACI marina Vrboska from July 1st to August 31st only for vessels on daily and monthly wet berth
- ▶ 50% in ACI marina Palmižana from April 1st to May 31st and from October 1st to October 31st
- ▶ 80% in ACI marinas Pomer, Opatija and "Veljko Barbieri" in Slano
- ▶ 80% in ACI marinas Žut and Piškera only from July 13th to August 25th
- ▶ 80% in ACI marina Skradin, except for vessels on daily wet berth from June 1st to September 30th
- ▶ 80% in ACI marina Palmižana from June 1st to June 30th and from September 1st to September 30th
- ▶ 80% in ACI marina Korčula, except for vessels on daily and monthly wet berth from June 1st to September 30th
- ▶ 100% in ACI marinas Rovinj, Jezera, Vodice, Trogir, Split and Dubrovnik

- ▶ 100% in ACI marina Skradin from June 1st to September 30th only for vessels on daily wet berth
- ▶ 100% in ACI marina Milna, only from July 1st to August 31st for vessels on daily wet berth
- ▶ 100% in ACI marina Palmižana from July 1st to August 31st
- ▶ 100% in ACI marina Korčula only from June 1st to September 30th for vessels on daily and monthly wet berth

### JET SKIS

Subject to availability, all ACI marinas offer wet and dry berths for jet skis. All categories of wet or dry berths are listed in the price tables for each individual ACI marina.

### CHARTER ACTIVITY

For vessels used for charter purposes, the annual berth rental fee increases by 20% in ACI marinas Trogir, Split, "Veljko Barbieri" Slano and Dubrovnik, whereas in other ACI marinas (except for ACI marinas Umag and Cres) the annual berth rental fee increases by 15%. Charter companies which have annual berth contracts with ACI marinas for 10 or more charter boats may submit a request to ACI's Nautical Department to pay their annual berth fees in installments.

### BY-BOATS (AUXILIARY BOATS)

The berth fee for a by-boat (auxiliary boat) is not charged when the auxiliary boat is berthed by the main boat, whether it is in transit or in the marina listed in the contract. When a by-boat (auxiliary boat) uses a separate berth, and the owner holds an annual berth contract, the owner must enter into a separate contract for the by-boat; for all berth categories the fee shall in that case amount to 50% of the commercial berth price.

Entering into an annual contract for the by-boat does not entitle the owner to the membership card – ACI Card.

When a by-boat (auxiliary boat) uses a separate berth, and the main boat is not using an annual berth in an ACI marina, the berth for the by-boat is charged according to the according to the current price list.

## DAILY AND HALF-DAILY WET BERTH RENTAL

### Included in the price:

- ▶ wet berth rental
- ▶ use of toilet facilities and showers
- ▶ electricity and water consumption for standard boat purposes, except in ACI marina "Veljko Barbieri" Slano where the electricity connection higher than 16A is charged additionally, and water is charged according to consumption.

Berths can be rented on a half-day basis, for a maximum of 4 hours and can be used no later than 2 p.m. Exceptions are ACI marinas Pula, Pomer, Supetarska Draga, Rab, Žut, Piškera, Vodice, Skradin, Trogir, Palmižana and "Veljko Barbieri" Slano where they can be used no later than 5 p.m. Half-day berth is charged at 50% of the daily berth rate, and according to the price list and by boat length.

If the vessel enters the marina in the period from 7 a.m. (when the reception opens) to midnight, the daily berth fee expires at 2 p.m. on the following day. If the vessel enters the marina before 7 a.m. (e.g. in the period from midnight to 7 a.m. of the same day), the daily berth fee expires at 2 p.m. on the same day. After 2 p.m. another daily berth fee will be charged.

## DAILY BERTH ONLINE BOOKING

Daily berths can be reserved by paying in advance via the ACI Mobile App for smartphones and tablets or the ACI Online Booking service on the official ACI website [www.aci-marinas.com](http://www.aci-marinas.com). The one-off booking fee is charged from June 15th to September 15th and amounts to:

- ▶ 10% of the daily berth rate charged according to the vessel's length in ACI marinas Umag, Pula, Pomer, Opatija, Cres and Supetarska Draga
- ▶ 20% of the daily berth rate charged according to the vessel's length in ACI marinas Rovinj, Rab, Šimuni, Jezera, Vodice, Trogir, Split, Milna, Vrboška, "Veljko Barbieri" Slano and Dubrovnik
- ▶ 30% of the daily berth rate charged according to the vessel's length in ACI marinas Žut and Piškera
- ▶ 40% of the daily berth rate charged according to the vessel's length in ACI marinas Skradin, Palmižana and Korčula.

The reservation is valid for the day paid for only, and it expires when the next day's berth fee is charged.
